SET UP / RETURN:

Our delivery driver can set up the field kitchen for an additional fee. Please see our cost page for details. The site must be ready for delivery and set-up on arrival. Any delays will incur extra cost. If you would like to set up the kitchen yourself the kitchen comes with a manual explaining how to do so. This is also available to download from our website as PDFs.

You are able to decorate the kitchen as long as everything is removable and will cause no lasting effects, marks or tarnish. Please note the front panels either side of the hatch are blackboard vinyls and can be written on using chalkboard pens only.

Once you have finished with the trailer it must be cleaned and packed up ready for movement. Please read the manual pages about cleaning and return. If the trailer is not cleaned properly we will organise a cleaner once it has been returned and this fee will be taken from your deposit.
